Description of Services (maximum of 100 words)	Kool Smiles is a high quality general dental care provider focused on underserved neighborhoods and bringing dental services to children and adults directly to the communities in which they live; and serving patients of all ages covered by Medicaid, State Children's Health Insurance Programs (CHIP), or commercial insurance. Kool Smiles makes preventive care, diagnostic imaging, and a full range of restorative care and endodontics available to youth who otherwise may not receive proper care. Kool Smiles also provides extensive oral health education programs through partnerships with local schools and youth organizations. With the addition of adults in 2009, Kool Smiles has expanded access to quality dental care to the underserved population.
