

This Program Focuses on:

- Children birth to eight years and their families
- Early care providers

Families are children's most important teachers and strongest resource.

We are here to help build resilience in children and in the people who care for them.

Project LAUNCH

Helping Families & Providers Prepare Children for Success

Reasons to Request Consultation

- Responding to individual children displaying challenging behaviors
- Promoting healthy social and emotional development for young children
- Supporting families and early child care providers' capacity to meet children's social/emotional needs

Early Childhood Mental Health Consultation is:

- Screening & Assessments
- Advocacy
- Relationship Building
- Training/Team Building
- Classroom Support
- Observation
- Parent Education
- Meeting Facilitation
- Community Linkages
- Action Planning
- Modeling & Coaching
- Promoting Staff Wellness

Why is this Important?

Children who...

- Follow directions
- Communicate well
- Develop positive relationships with peers and adults
- Stay on task
- Feel good about themselves

... are better prepared for school and later success.
